"This is a best friend in book form."—Andrew Kaufman, author of *All My Friends Are Superheroes*

Today, Carrie Hope Fletcher is living her dream as an actress and YouTube star. But not long ago, she was trying to survive the many perils of the Teen Age . . . The Rumor Mill: the more a rumor is spread, the farther it gets from the truth. It's like a giant taffy pull. The Disgusting Business of Falling in Love: I've never known something to be so gleefully wonderful and soul-crushingly exhausting. The Twitter-Sphere: the Internet is starting to crush your soul . . . close the laptop! Bears: self-explanatory. Thankfully, she made it through! And although memories of her struggles, woes, and foibles stick around (as Soul Shrapnel, if you will), they look a little different today, thanks to *The Amazing Goggles of Hindsight*. So, in *All I Know Now*, Carrie shares, well, exactly that—heartfelt advice and hopeful thoughts on growing up. She just did it herself. She has the stuffed animals to prove it!
