LABYRINTH THE ART OF DECISION MAKING EBOOKS 2019

Author: Paweł Motyl

Release Date: Expected @@expectedReleaseDate@@

The next decision you make could change your life. Every day, we make countless choices, yet we rarely stop to consider how we arrive at those decisions as we speed through our lives. In *Labyrinth*, leadership expert Paweł Motyl believes it's time to take a closer look at how we make decisions—and learn how to decide better. Motyl digs into the series of decisions that led to some of the modern world's most dramatic events: from the Cuban missile crisis to the 1996 Mount Everest climbing disaster; from the Apollo 13 rescue mission to the ill-fated Daimler-Chrysler merger. Along the way, he reveals 16 rules for effective decision-making that will challenge your pre-existing beliefs, and change your outlook forever. As technological advances transform our world at an ever-accelerating pace, we are all facing a complex labyrinth of decisions in business and life. Motyl's insights will equip you with the knowledge and wisdom to face even the most high-stakes situation with confidence, and negotiate the labyrinth with ease.
