OPENING THE HEART OF THE COSMOS EBOOKS 2019

Author: Thích Nhất Hạnh

Release Date: Expected @@expectedReleaseDate@@

Zen Master Thich Nhat Hanh uses the Lotus Sutra, one of Mahayana Buddhism's most revered texts, to illustrate the Buddha nature inherent in everyone. With great passion and clarity, he demonstrates how each human being has the capacity to transform their own individual suffering, develop compassion, and help create more peace in the world. Thich Nhat Hanh's insights invoke a wide range of contemporary topics and concerns, from war and the threat of terrorism to individual anxiety and the degradation of our environment. He proposes a radical new solution to current conflicts, encouraging each of us to work on our own mindfulness practice to create greater peace and harmony. His accessible analysis of the sacred text demonstrates its practical and direct applicability to today's concerns.
