PATTERNS OF ACTIVATION EBOOKS 2019

Author: W. Ryan Parish

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

We are at the vanguard of an educational revolution. For the first time in history, scientists can now look into the depths of the human brain to find out what's really going on in there. If you're an educator, you should be jumping out of your seat. Finally, there's a way to figure out if what you're doing is working!

So why, despite all of this new research, do so many educators fail to implement brain science in their practice? Why do we still use antiquated methods to teach our students, when some of these have been proven ineffective?

Patterns of Activation is an everyman's guide to the brain. Using the tips and tricks gained from reading this book, you will improve your practice, engage your learners, and empower your organizations.

You have what it takes to become a Brain Hacker— are you ready to take on your new role?
